

Motion Graph Review

Directions: Solve the following problems using the GUESS method. Show all work clearly.

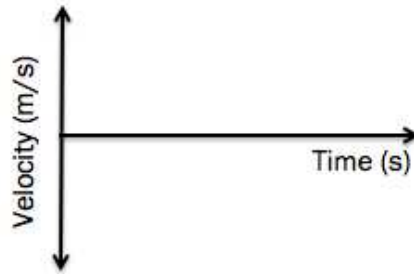

- What type of motion is depicted above?

Position vs. Time Graph

Velocity vs. Time Graph

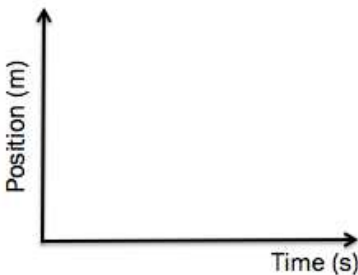

Acceleration vs. Time Graph

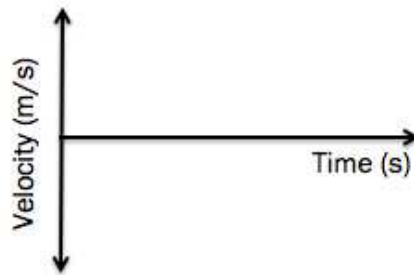

- What type of motion is depicted above?

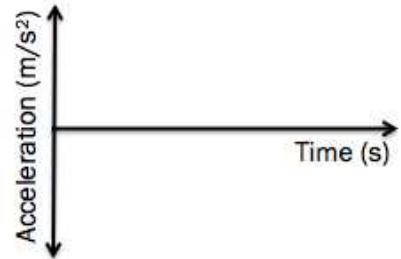

Position vs. Time Graph

Velocity vs. Time Graph

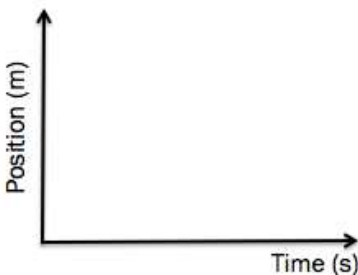

Acceleration vs. Time Graph

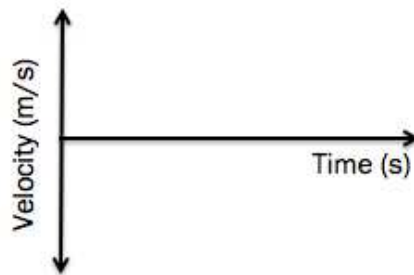

- What type of motion is depicted above?

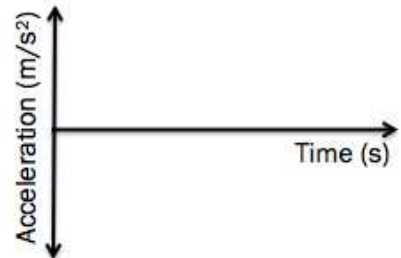

Position vs. Time Graph

Velocity vs. Time Graph

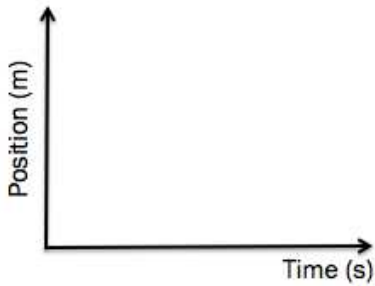

Acceleration vs. Time Graph

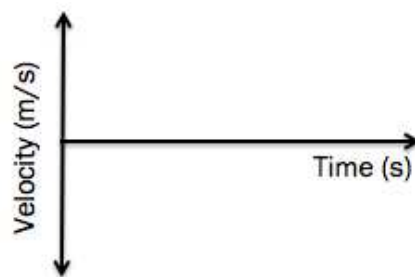

- What type of motion is depicted above?

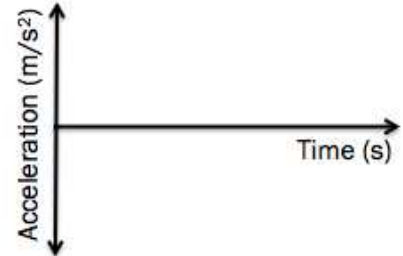

Position vs. Time Graph

Velocity vs. Time Graph

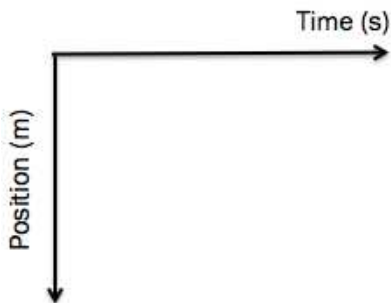

Acceleration vs. Time Graph

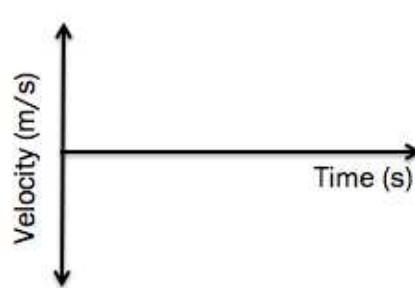

- What type of motion is depicted above?

Position vs. Time Graph

Velocity vs. Time Graph

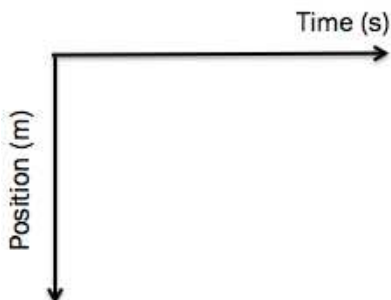

Acceleration vs. Time Graph

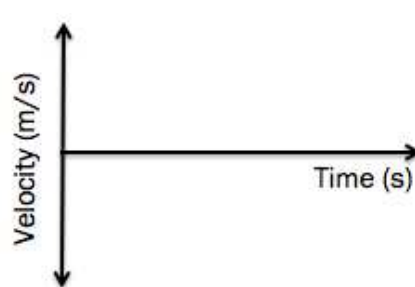

- What type of motion is depicted above?

Position vs. Time Graph

Velocity vs. Time Graph

Acceleration vs. Time Graph
